FOR IMMEDIATE RELEASE

Partnership Growth at SLL

THE REGION'S LARGEST AND LONGEST ESTABLISHED LAW FIRM, SOMERVILLE LAUNDRY LOMAX CONTINUES TO EXPAND WITH THE RECENT ANNOUNCEMENT OF A NEW PARTNER, CAROLYN HUNT - A SPECIALIST IN PROPERTY, BUSINESS, WILLS AND ESTATES.

Carolyn's love for business and law was engendered by her father recounting tales of company and commerce news. Her career thus far has ranged from working with Peat Marwick (now KPMG) as a Tax Consultant through to teaching at University and writing for one of Australia's most respected legal publications.

Carolyn's decision to return to the area where she was raised was largely based on wanting her children to enjoy the same kind of childhood as she did in Yamba.

Having studied and worked in several male dominated industries from early in her career, Carolyn is encouraged to see greater gender equality in law graduates and succession paths for female solicitors in the new breed of law firm.

Carolyn has expertise across most property matters (including subdivisions, leases, easements and conveyancing) as well as business transactions, estate planning and asset protection.
